Jasen,

I just want you to know that I am waiting to hear from Roger Baugher (he is on vacation this week). I am under the impression that the regions will be held at their 2008 negotiated levels, except I don't know if that will be true for the Adult and Dislocated Worker Entered Employment Rate. The state is being held at the 2008 levels, except we were able to negotiate new rates for these two measures.

I will be off tomorrow, but will be back in the office on Thursday. Hopefully, I will have an answer for you then.

Sorry, I can't be of more assistance right now.

Hi Anita,

I am not able to put my hands on the recent performance negotiations for SW MO that are to be replicated for PY09 and placed in our plan mod. Can this be forwarded to me by email?
