

MISSOURI DISASTER RECOVERY JOBS PROGRAM

MISSOURI
Career Center
MissouriCareerSource.com

Learn how you can help rebuild Joplin, earn a paycheck, and move our community forward!

Who?

- Temporary work for those unemployed

What?

- Temporary jobs help bridge the gap until your employer re-opens or until you are able to find a different job if your employer can't re-open
- Temporary jobs are in debris removal, restoration of public facilities, or humanitarian positions up to six months, or 1,040 hours, whichever is first
- Hours vary, but a 40-hour work week could include evenings or weekends, depending on the needs of the jobsite working to rebuild Joplin
- All temp jobs require program orientation, safety training, and worksite orientation prior to starting work

Where?

- Tornado-damaged areas throughout the City of Joplin, Village of Duquesne, or nearby rural areas in Jasper or Newton Counties

When?

- Applications and screening underway now through Missouri Career Center and WIB
- Jobs anticipated to begin in June

Why?

- Temporary work to help those without jobs to fill gaps in their family income
- Jobs aimed at rebuilding Joplin to be better than ever
- Help retain workers to the region to be available for work as businesses re-open

How?

- Apply in person, bring your Drivers License (or other state-issued ID), and fill out an Interest Application at the Missouri Career Center at 8th and Wall Avenue (across from Joplin Memorial Hall)
- WIB & Career Center will verify your work history and eligibility to participate

The Missouri Disaster Recovery Jobs Program (DRJP) is coordinated locally by the Workforce Investment Board (WIB) of Southwest Missouri and the Missouri Career Center, proudly serving the Joplin region since 2001. Funded by the U.S. Department of Labor through the Missouri Division of Workforce Development.
